

Material list

A tube of Guache OR INK

Whichever you prefer to work with

A mixing brush – NOT good ones

If you use gouaches

Pen:

3 mm (0.11 inch) of any type
(brause or Tape...)

The file with the guidelines is measured for this pen dimension. Of course you can work in different dimension as well. (rather bigger than smaller)

3

One or two smaller size paper

For a final piece

Some smaller Pads of paper for practicing with smaller sizes. (12 inch x 16 inch) – not too smooth not too rough... A3 size

I love this one!

Other material:

Some text,
pencils,
water container,
paper towels...
Ruler

I will send the file to make photocopies that you can make the guidelines
