

### Some Guaches (NOT ACRYLLIC)

Royal Talens or W&N, Schmincke...

Some different colours... I prefer all basics (red carmine, red magenta, yellow, blue, white and black), so you can mix.

It will work also if you don't have all these...

### One good Brush;

(dimension from nr. 12 to nr. 20 will be ok)

[I LOVE ART 792 \(ex. Manet Galaxy 792\)](#) nr.14 or

[MARABU FINO flat brush nr. 14](#) or

[DENISE BEAUX ARTS flat brush nr. 14](#)

### Marabu - FINO

### A mixing brush – not good ones

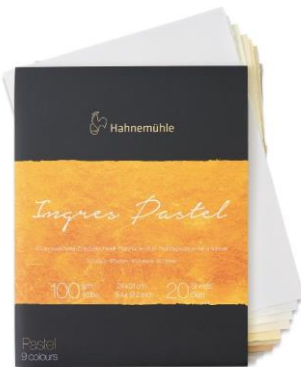

### One or two papers for final piece

– aprox. A3 format

For example:

Black or pastel colored Canson Mi-Tient

Or Hanne Muhle papers for pastel are great.

### MUST squared containers

#### SHALLOW AND SMALL

Or a butter cup

Or a palette with some straight edges inside

Or pills containers would be great

### Some practising papers

(I love Canson Croquis)

### Some colored pencil

– white, bronze or gold or other

### Other material:

pencils, and water container, paper towels...
